

C500 Series

Portable Heavy-Duty Coin Counter/Off-Sorter

- ▶ A compact counting workhouse: counts up to 2,000 coins per minute.
- ▶ Multiple mode options: Count, Add or set custom Batch amounts.
- ▶ Special off-sorting option, which works on all modes, allows for a single denomination to be counted while sorting out others.
- ▶ Works with all North American coins: U.S., Canadian, and Mexican. Works with most tokens too.
- ▶ Perfect on the go: small, lightweight size with a built-in handle.
