

# C850 Series

## Portable Heavy-Duty Coin Counter/Off-Sorter

- ▶ Quick, jam-free coin counting: counts up to 1,900 coins per minute with a 2-speed motorized hopper.
- ▶ Multiple mode options: Count, Add or set custom Batch amounts.
- ▶ Special off-sorting option, which works on all modes, allows for a single denomination to be counted while sorting out others.
- ▶ Works with all North American coins: U.S., Canadian, and Mexican. Works with most tokens too!
- ▶ Count on any countertop or table with the conveniently placed front reject slot.
