

POWERTEC 929 IS

High Capacity Industrial Shredder

The PowerTEC® 929 IS Industrial Shredder is a high capacity conveyor machine for destroying sensitive information on stacks of paper, optical media, and binders. It features a powerful chain driven motor, automatic jam protection, and simple push button operation. This shredder is rated for Security Level P-3 destruction and holds up to 120 gallons of waste. An optional Output Conveyor (929 CB) is available for waste disposal in a large recycling bin or baler. The 929 IS is precision engineered and guaranteed to provide many years of trouble-free operation.

Features | Benefits

- Powerful 500 sheet capacity conveyor for shredding stacks of paper, optical media, binders and more
- Security Level P-3 for the destruction of sensitive information
- Mighty 11.5 Hp continuous duty motor with chain driven operation
- Automatic jam protection eliminates frustration
- Automatic EvenFlow Lubricator provides continuous oil across the cutting cylinders
- Rubber shock mounts suspend the cutting head and reduce vibration
- Self-cleaning mode ensures optimal performance
- Optional output conveyor (929 CB) available for waste disposal in large recycling bin or baler
