

The World Leader
In Data Destruction

DATA ELIMINATOR

HD-3XTL

High-Volume Degausser

HD-3XTL 3-Second Degausser

Fast, high-volume, workhorse. In only 3 seconds, the HD-3XTL degausser, with 10,000 Gauss, will completely erase all data from any hard drive or tape that fits into its oversized media slot.

Why it's so FAST:

1. Inserting the media into the media slot automatically initiates the degauss cycle.
2. 3 seconds later, the media is degaussed.
3. Saving precious time, *pre-charging* begins immediately as the degaussed media is released down the slide.
4. Turning off the HD-3XTL releases any pre-charged energy for safe storage.

Secure and Compliant

The HD-3XTL will help you satisfy the most stringent government and industry standards, including:

- **CCPA** (California Consumer Privacy Act)
- **DoD** Up to Secret Classification
- **GDPR** (General Data Protection Regulation)
- **GLBA** (Gramm-Leach-Bliley Act)
- **HIPAA** (Health Information Portability and Accountability Act)
- **IRS 1075**
- **NIST SP 800-88r1**
- **PCI DSS 3.2** (Payment Card Industry Data Security Standard)
- **PIPEDA** (Personal Information Protection and Electronic Documents Act)
- **TAA** (Trade Agreements Act: 19 U.S.C.)
- **UL, IEC, CSA** and **CE** certified

Features

- Complete data erasure in 3 seconds
- Erases up to 450 standard and full height hard drives per hour
- Erases up to 4,500 bundled laptop hard drives per hour
- Generates 10,000+ Gauss (1 Tesla)
- Erase process starts automatically
- SCAN-1X verification software and scanner voucher included
- Oversized media slot 1.7" in height
- Erases working and non-working hard drives
- Continuous duty
- CE certified
- Plugs into a standard wall outlet worldwide

HD-3XTL Erasure Verification

Built-in field verification checker: On-board diagnostics confirms the magnetic field strength of every erase cycle, ensuring complete erasure every time.

LCD display: Provides the numerical value of gauss field strength to verify erasure, as well as cycle count, job count and diagnostics.

SCAN-1X Media Destruction Report software and scanner voucher included: Creates media destruction reports with date, time, user ID, serial number and verification of each cycle.

IRONCLAD Integrated Auditing System (option): Create the ultimate proof-of-erasure and destruction reports with JPG Images of the media after it is degaussed.

IRONCLAD touchscreen and Certificate of Erasure and Destruction (shown)

Packages

Configure a system to match your needs. Pair the HD-3XTL high-volume degausser with our PD-5 NSA-listed destroyer or PD-4 NSA-listed destroyer. Add a cart, case, or workstation.

*Data Eliminator Cart Package
(RCC-35SSD IRONCLAD with optional bins)*

*Degauss Destroy Recycle Workstation
(DDR-35SSD IRONCLAD shown)*

Optional Accessories

*IRONCLAD Erasure
Verification System*

Recycle Bins

Media Bins

*CASE-HD3S
MIL SPEC Shipping Case*

SPECIFICATIONS	
Part Number	HD-3XTL • HD-3XTLE
Certifications/ Listings	UL, IEC, CSA and CE certified • TAA
Magnetic Field	1 Tesla (10,000 Gauss) nominal
Erasure Verification	SCAN-1X voucher included IRONCLAD optional
Complete Erasure	3 seconds (nominal)
Throughput (Hard drives per hour)	Up to 4,500 (1.8 in.)* Up to 4,500 (2.5 in.)* Up to 450 (3.5 in.)
Media	Hard drives: Laptop, standard, and network drives ¹ up to 1.7 in. in height Tape media: All LTO, all DLT, 3490, 9940, 3592, AIT, and others
Power	HD-3XTL: 110-125V ±5%, 50/60 Hz HD-3XTLE: 90-250V ±5%, 50/60 Hz Factory configurable
Power Consumption	During standby: 53W During charge: 188W (avg) At the time of erase: 53W
Degausser System	Capacitive discharge
Duty Cycle	Continuous
Media Slot Capacity (HxWxD)	1.7 x 4.5 x 5.9 (in.) 43.2 x 114.3 x 148.6 (mm)
Temperature	41°F - 104°F (5°C - 40°C)
Humidity	10%H - 40%H without condensation
Weight	59 lbs. (27 kg)
Size (HxWxD)	18.9 x 13.3 x 13 (in.) 480 x 338.6 x 328.9 (mm) With slide: 18.9 x 22.8 x 13 (in.) 480 x 578.1 x 328.9 (mm)
Warranty	HD-3XTL: One-year manufacturer's limited warranty standard, optional three-year limited warranty available HD-3XTLE: One-year manufacturer's limited warranty standard Scanner: Ninety-day manufacturer's limited warranty
Made in U.S.A.	By Garner Products, Inc.

* Bundle up to 10 - 1.8" and 2.5" drives depending on drive dimensions.

¹ All mounting hardware must be removed prior to degaussing.

Note: Hard drives and some tapes are not reusable after being degaussed.
