INITIATE BETTER DOCUMENT CONTROL WITH OUR AUTOMATIC STAMPS.

Replace your hand stamping operation where volume or penetration is a problem.

We specialize in customizing equipment to your requirements.

MODEL O-3 FIXED DIE IMPRINTER

Total Engraving Area 2" x 1 7/8"
Brass Plate

For use where message remains constant. For validation of documents, special instructions on specific orders, shipping instructions, etc. All models feature adjustable stamping pressure for good forms penetration.

MODEL R-3 REMOVABLE DIE IMPRINTER

Total Engraving Area 2" x 1 3/4"
Brass Plate

For use where message changes. Simply depress the lever to remove & replace the die plate with another message. Provides complete flexibility or security from unauthorized use.

MODEL D-3 DATER

Each Plate Engraving Area 2" x 5/8"
Two Brass Plates

Date advanced manually for control wherever the date is important. A unit in each department keeps personnel alert to their responsibilities, and allows you to pin-point bottlenecks.
